CONORESS, J. M. QUARLES, Of Chaunton.

Impure blood is an enemy to health, and may lead to serious disease. Hood's Sarsaparilla conquers this enemy and averts danger.

EDITORIAL NOTES.

We notice that the much-advertised Wanamaker regiment did not see any service, not even camp service.

Boss Hauna's opinions of Mayor Mc Kissan's gubernatorial ambitions are too hot to be printed upon ordinary

enough troubles without the anarchist plot alleged to have been uncovered by the Madrid police

pan cture the "immune" theory.

When the mustering out begins punctures of the big heads of the holders of "pull" commissions will sound I ike a breadside of rapid fire guns.

While not asserting that it has any special meaning, we cannot help noting than West Point did out of the war.

Perhaps that Irish yachtsman issued that challenge for the America's Cup the presence of President McKmley, as a sort of sporting protest against so much Angle-American alliance talk.

If young Mr. Carfield had tried for a commission in the army instead of a nomination to Congress he might have found the use of his father's name

The hunkering after Spanish gore, which has come as an afterthought to those who didn't enlist when there was ample opportunity, said a sentiment to

That Porto Rhean picnic of Gen. Miles will hardly get him the muchcoveted Lieutenant General's commission. In fact we have no need for a Lieutement General.

pay for American missionary property | Secretary Thiebault were ushered indestroyed by Turky, has given Mc-Kinley an opportunity to make a hit, as adjoining the cabinet room on the upwell as keep our navy busy.

Sensible persons regret the "slop- and were ushered into their presence, ping over on Admiral Cervera, that come a "gushing fool" on the slightest

four of his rough riders are equal to ten volunteers was not enjoulated to increase his friends among the latter; nor was it justified by any facts known to the public.

Ben Harrisan is being boomed for one of the Peace Commissioners. Mr. McKinley can easily select a less competent man than the ex-president whose sturdy Americanism gained him admirers among his political opponents.

The solicitude of some prominent European newspapers about the attitude of this country towards that portion of the Spanish bonded debt supposed to be secured by Cuba and Porto Rico indicates that some editors have been Hoolevized.

Provisions, medicines, and other necessary things may not have been supplied to our soldiers as plentifully as they might have been, but care has been faken to see that every official sent to investigate any complaints had Plenty of whitewash.

America's Greatest Medicine is Hood's Sarsaparilla. Which absolutely Cures every form of

Impure blood, from The pimple on your Face to the great Scrofula sore which

Drains your system. Thousands of people Testify that Hood's · Sarsaparilla cures

- Scrofula, Salt Rheum, Dyspepsia, Malaria, Catarrh, Rheumatism And That Tired

Feeling. Remember this And get Hood's

Is Now At Hand. Spain Accepts Our Terms.

PROTOCOL SIGNED.

Hostilities To Cease At Once.

Washington, August 12 .- With simstitutions, the war which has raged the latter. between Spain and the United States 23 minutes past four o'clock this afternoon, when Secretary Day, for the government of the Phillippines United States, and M. Cambon, for Medical men are predicting that a Spain, in the presence of President Spanish islands in the West Indi called "immune" froops will serve to form the basis of a definite treaty of that commissioners be appointed with

SECRETARY DAY NOTIFIED.

At 3:45 o'clock Sceretary Thiebault of the French embassy, appeared at the the evacuation. State Department to inform Secretary Day that the Ambassador was in full possession of the note, was fully empowered to sign the protocol for Spain, clude a treaty of peace. The commithat Annapolis pulled much more glory and only awaited the pleasure of the State Department. He intimated that than the first of October. the Ambassador would be pleased to have the final ceremony conducted in where the negotiations were begun. Leaving the secretary of the embassy in his own office, Secretary Day made a sl ort visit to the White House to learn the President's wishes in the matter The latter immediately consented to accept the suggestion, and M. Thiebaut hast nel to inform his principal that

MEETING AT THE WHITE HOUSE,

t a President would receive him at the

White House at 4 o'clock.

When Ambassador Cambon reached the White House it was just 3:55 o'clock. five minutes in advance of the appointed hour. It was raining, and the Ambassador abandoned his usual custom of alighting at the outer gates of the Executive grounds. He was driven under the porte cochere, passing through a The Sallan of Turkey, by refusing to cordon of newspaper men beforehe and side. They went directly to the library per floor. At 4:05 they were announced to the waiting party in the cabinet room

After an exchange of diplomatic courwill increase the European belief that tesies, no unnacessary loss of time octhe average American is prone to be- curred, and Assistant Secretary of State Cridler on the part of the United States, and First Secretary Thiebault on the "Teddy" Rocsovelt's assertion that part of Spain, retired to a window where there was a critical formal examination of the protocol.

> This inspection had all the outward formalities due a document or this importance. It was prepared in duplicate at the State Department, one copy to be retained by the United States government and the other to become the property of Spain. The text is handtocol is arranged in double column, plenipotentiary of the republic of Francisco's stern as she turned to get been nearly destroyed. Augusti and French and English standing alongside of translation. The two copies are representing for this purpose the gov- foot in diameter, completely wrecking man cruiser Kaiserin Augusta and left alike, except that the one held by this ernment of the United States and gov- Commodore Howel's quarters and at dusk for Hong Kong. Dewey is Gonorrhea, Gleet, Leucorrhea, Etc., government has the English text in the ernment of Spain, the United States smashing his bookease to fragments. expected to send a fast cruiser with first column and the signature of Secretary Day ahead of that of M. Cambon, the terms on which negotiations for orders not to attack the butteries, the while the copy transmitted to Spain has the establishment of peace between ships retreated as fast as their engines French in the first column and the sign the two countries shall be undertaken; would carry them. nature of M. Cambon ahead of that of and Secretary Day.

SIGNATURES APPIXED.

The examination of the protocol was satisfactory and the document was handed to M. Cambon first and then to Secretary Day, who affixed signatures in that order to each side of the two commanders of its military and naval copies. Then the last detail in making | forces: the protocol binding was administered by Assistant Secretary Cridler, in charge of the chancery work, who attached the seal of the United States.

Throughout the ceremonyall but the two signers remained standing. M Cambon, in signing for Spain, occupied the seat which Secretary of the Navy Long, now away on a vacation, usually occupies. The President stood at the left hand corner at the head of the great cabinet table; Secretary Day, M. Thiebault and M, Cambon, in the order named, on the left side of the table. The rest of the party were standing in

other portions of the room. No credentials were produced during the meeting at the White House, the President accepting Secretary Day's assurance that all had been settled to his satisfaction at the State Depart-

sealou to-lay, I was prepared by Secretary Day, the purpose being to make it public framodiately after the required signatures and been affixed to this proclamation, the protocol. It does not give the fext of the document, but details its main points and provisions, which are as follows:

1. That Spain will relinquish ail claim of soveregisty over and title to

2. That Porto Rico and other Spanish islands in the West Indies and an island in the Ladrones to be selected plicity in keeping with ropublican in- by the United States, shall be ceded to

3. That the Unifed Slates will for a period of three months and twenty- occupy and hold the city, bay and Spain would seem to have quite two days, was quietly terminated at barber of Manila parding the conclusion of a freat, of peace which shall

4. That Cuba, Porto Rico and other very short stay in Santiago of the so- McKinley, signed a protocol which will shall be immediately evacuated, and in ton days, shall, within thirly on from the signing of the protocol, me t d Havana and Son Juan, respectively, to arrange and execute the details of

5. That the United States and Spalwill each appoint not more than fivcommissioners to negotiate and consioners are to meet at Paris not late

6 On the signing of the protocol, he tilities will be suspended, and notice to that effect will be given as soon as possible by each government to the commanders of its military and naval

ORDERS TO CEASE HOSTILITIES.

As soon as the peace protocol was igned, the President sent for Secrearies Alger and Long and General Corbin, and by his direction orders to Admirals Dewey and Sampson and military commanders generally. The the loss of an American ship, order sent to General Merritt to suspend hostilities was as follows:

Adjutant General's Office, Washington, Avenst 12,1898. Merritt. Manila:

The President directs all military of erations against the enemy be suspend ed. Peace negotiations are nearing competion, a protocol paving just been signed by representatives of the two countries. You will inform the Further orders will follow. ledge receipt.

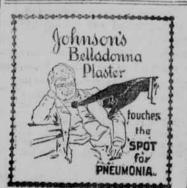

By Order of the Secretary of War. H. C. Cornex, Adjutant General. The orders sent to General Miles and General Shafter were identical with the above, save as to name.

THE PRESIDENT'S PROCLAMATION. The President has issued the followag proclamation

By the President of the United States of America, a Proclamation: Whereas, by a protocol concluded and signed August 12,1898,by William R. Day, Secretary of S ate of the United and Spain have formally agreed upon

Whereas, it is in sail protocolagreed that upon its conclusion and signature hostilities between the two countries shall be suspended, and that notice to that effect shall be given as soon as possible by ouch government to the

Now, therefore, I, William McKin ley, President of the United States, do, in accordance with the stipulation of the protocol, declare and proclaim on the part of the United States a suspension of hostilities, and do hereby command that orders be immediately eiven through the proper channels to he commanders of the military and naval forces of the United States to
